

## Checklist of What to Bring

- Travel Documents:
  - Your Passport.
  - Return airline ticket.
  - Bermuda visa, if required. Please check with BIOS Education Department for this information.
  - Transit visa required for non-U.S./Canadian citizens traveling via the U.S.
  - Signed U.S. customs registration forms for easy reentry of foreign cameras, etc. going with you outside the U.S.
- Jeans, shorts and shirts (it is recommended that you check the forecast before you arrive, [www.weather.bm](http://www.weather.bm))
- rain jacket or umbrella
- mask, fins and snorkel
- 2 pairs of shoes (sneakers, sandals, etc., including one pair that can get wet)
- camera
- 2 bathing suits
- beach towel
- knapsack or day-pack for transporting gear
- re-usable water bottle
- sunscreen, hat, sunglasses
- pocket flashlight (BIOS is not well lit at night)
- eye glasses (if you wear them, a spare pair is recommended as there is no optician near BIOS)
- Dramamine or motion-sickness patches
- bathrobe and slippers (for possible shared bathroom facilities)
- personal hygiene needs (toothpaste, shampoo, razors, etc.)
- pencils, pens, lab and note books
- any special food and medications you might need during your stay
- laptop computer and power cables

If you plan on diving at BIOS you will also need:

- Proof of SCUBA certification as well as your current log book
- Completed dive forms (including medical exam)
- All items listed in the "Diving at BIOS" section
