

## SCUBA Waiver

THIS AGREEMENT made the \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ BETWEEN (1) \_\_\_\_\_ of (2) \_\_\_\_\_ (hereinafter called "the User") and the BERMUDA INSTITUTE OF OCEAN SCIENCES, incorporated under the laws of the State of New York in the United States of America (hereinafter called "BIOS").

WHEREBY IT IS AGREED that in consideration of BIOS making available to the User the boats, diving gear and other equipment relating thereto, belonging thereto, or in the possession of BIOS, and in reliance upon the statement of the User that he/she is a qualified SCUBA diver with a valid diving certificate issued by (3) \_\_\_\_\_ numbered (4) \_\_\_\_\_ and with \_\_\_\_\_ years' experience, with \_\_\_\_\_ open water dives, the User hereby for himself, his heirs, his personal representatives and dependents, hereby releases, discharges and agrees to hold harmless BIOS, its successors and assigns and its trustees, directors, officers, employees, representatives and authorized agents (individually or collectively) from all actions, proceedings, claims and demands that the User, his heirs, personal representatives and dependents may have for injury (including injury resulting in death) however caused or sustained by the User and for the loss of or damage (however caused) to his personal belongings suffered while using the boats, diving gear or other equipment relating thereto belonging to or in the possession of BIOS, including, but not limited to, such injury, loss or damage resulting directly or indirectly from negligence or failure to take reasonable care to see that the User will be reasonably safe, of BIOS, its trustees, directors, officers, employees, representatives or authorized agents, from the malfunction of diving gear or other equipment, and from operation, use, loading, unloading or unseaworthiness of boats or other watercraft owned, maintained or operated by BIOS.

The User confirms that he/she has read and agrees to obey the diving regulations of BIOS (contained in the BIOS Standards for Scientific Diving Manual) and realizes that he/she is ultimately responsible for his/her own safety. It is clearly the diver's responsibility to refuse to dive if, in his/her judgment, conditions are unsafe.

IN WITNESS THEREOF the parties have signed this agreement the day and year first written above.
