**Grant-in-Aid for Visiting Scientists** [contact gillian.hollis@bios.edu]

Small grants may be available to help defray in-house costs (accommodation, boat rental, tank fills, lab rental). For more information, please refer to the [Grant-in-Aid Application Information form](#).
**BIOS Science Safety**

### Chemicals and Chemical Waste

[contact Lab Operations Manager bruce.williams@bios.edu]

BIOS has limited quantities of chemicals and lab supplies
- Please communicate your requirements 2 months in advance of arrival
- Use of chemicals must be coordinated with the Lab Operations Manager

Visitors to BIOS are responsible for the proper disposal of their toxic chemicals
- Waste is safely contained, packaged and labeled
- Waste must be disposed into the BIOS electronic waste site

### Radioactive Materials

[contact rod.johnson@bios.edu]

Written permission must be obtained from the BIOS Safety Officer before bringing radioactive material into Bermuda.
- Please see the Visiting Scientist application form for details

### Departure Clean Up

[contact Lab Operations Manager bruce.williams@bios.edu]

Visitors are responsible for proper disposal of all HazMat, gas cylinders, equipment or other chemicals/materials prior to leaving the BIOS premises.
- Disposal fees of $250 plus costs will be applied for improper cleanup.
- Equipment left at BIOS, without advance storage arrangements, will be disposed of at Visitor’s expense.

### Collection, Export and Experimental Policies (CEEP)

[contact bruce.williams@bios.edu]

BIOS is committed to preserving Bermuda’s natural environment. In consultation with the Bermuda Government, BIOS has established detailed protocols for collection, export and experimental manipulation of materials (plants, animals, geological).

All materials collected must first be approved by the BIOS CEEP Committee and then Bermuda Government. The same is also true for export.

For information, please go to [http://www.bios.edu/visiting-bios/visiting-scientist-forms/](http://www.bios.edu/visiting-bios/visiting-scientist-forms/) under “Collecting and/or Exporting Samples”
